All horses that compete in TSHA classes must hold a current competition licence with the TSHA. The TSHA licence is available through Global Entries on the "Manage Horses" page for the competitors and must be purchased prior to registering for the event.

MICROCHIP # is IMPORTANT. It does not matter whether a horse is EA registered with a different name so long as the description and microchip number match.

TSHA will check identities and microchips to verify their competition licence. TSHA reserves the right to refuse entry to any horse that does not meet the criteria. The organising committee will be notified before the class if a horse entered is ineligible. There is a TSHA disclaimer statement for all riders competing in the TSHA classes to sign before competing.
